MAKING THE COMPLEX SIMPLE

Our experts provide certified training at a time and place to suit you. We share best practice and help you to upskill your teams to achieve the best results every time.

INDUSTRY SOLUTIONS

Products for professional use. Finding the best solution for cleaning tasks is of growing importance for businesses of all kinds. This is why we have tailored our extensive range of products precisely to your requirements, reducing time, costs and resource consumption without compromising performance. We understand the demands of your business, whatever market sector you operate in.

AGRICULTURE

Innovative Kärcher cleaning appliances and cleaning concepts that help you master the diverse requirements of the agricultural industry.

AUTOMOTIVE

Kärcher offers cleaning concepts that are tailored to the specific requirements of car dealerships, workshops and service stations.

CONSTRUCTION

Professional machines that are a match for the wide range of cleaning challenges in the building and trades industry.

CONTRACT CLEANERS

Innovative products that guarantee the highest level of cleanliness, efficiency and ease of use in building and facade cleaning.

HEALTH SECTOR

Professional and efficient cleaning systems for hospital that combine impeccable hygiene with cost-effectiveness.

HOTEL AND HOSPITALITY INDUSTRY

Professional cleaning systems for sustainable hygiene management in hotels and restaurants.

INDUSTRY

An experienced partner you can rely on for all industrial cleaning tasks.

RETAIL

Our solutions for cleanliness and tidiness in shopping centres, retail and wholesale trade.

PUBLIC SERVICE AND MUNICIPAL EQUIPMENT

Cleaning machines that enable efficient working in the public service and ensure tip-top cleanliness.

TRANSPORT AND LOGISTICS

Efficient and effective cleaning technologies especially designed for the demanding 24/7 world of transport & logistics.

THE COMPLETE KÄRCHER RANGE

HOT AND COLD WATER PRESSURE WASHERS

Use a Kärcher pressure washer to effortlessly, safely and effectively remove stubborn dirt and residues including dust, grease and even graffiti - without damage to the structure or surface.

WET AND DRY VACUUM CLEANERS

Easy to use and robustly designed, Kärcher's wet and dry vacuum cleaners effectively deal with every kind of dirt, dust and liquid, whether typical or hazardous without any loss of suction power.

SCRUBBER DRYERS

Kärcher scrubber dryers thoroughly clean up leaving floors instantly dry, clean and safe. Whether it's a car park, office or warehouse these machines are easy to operate, offer exceptional manoeuvrability and deliver consistently high cleaning performance, every time.

INDUSTRIAL VACUUM CLEANERS

Tough cleaning tasks need a robust solution. Kärcher's industrial vacuum cleaners perform in even the most challenging environments. Ideal for heavy-duty, continuous use these machines provide the highest levels of filtration and are available in both mobile and stationary variants.

DRY VACUUM CLEANERS

From the traditional tub vacuum cleaner to cordless operation and ride-on machines, there's a Kärcher vacuum cleaner for every application. Robust and versatile with powerful suction performance, these machines deliver impressive results.

CARPET CLEANERS

Improve first impressions by keeping carpets and upholstery looking like new with a Kärcher carpet cleaner. Powerful and versatile for effective deep cleaning, and daily maintenance of textiles.

STEAM CLEANERS

Achieve a hygienic clean with ease and without the need for chemicals with Kärcher steam cleaners. Perfect for use on all hard surfaces including floors, glass, tiles and worktops these machines kill 99.999% of bacteria*.

MUNICIPAL SWEEPERS & IMPLEMENT CARRIERS

Compact and powerful multi-purpose municipal machines that can quickly convert from sweeper to mower to snow plough making them perfect for year-round use.

SWEEPERS

Prevent the build up of dirt and dust on your floors and reduce slip and trip hazards by using a Kärcher sweeper. Available in both walk-behind and ride-on versions, a sweeper will improve the appearance of your floors and reduce airborne dusts.

DRY ICE BLASTERS

Gentle on surfaces and ideal for cleaning in tough industrial environments. Kärcher's dry ice blasting uses no water, chemicals or grit, making it extremely environmentally friendly.

PROFESSIONAL LANDSCAPE MANAGEMENT

We mean business when it's comes to cleaning up outdoors. Tidy all areas of outdoor spaces with our range of Professional landscape management tools.

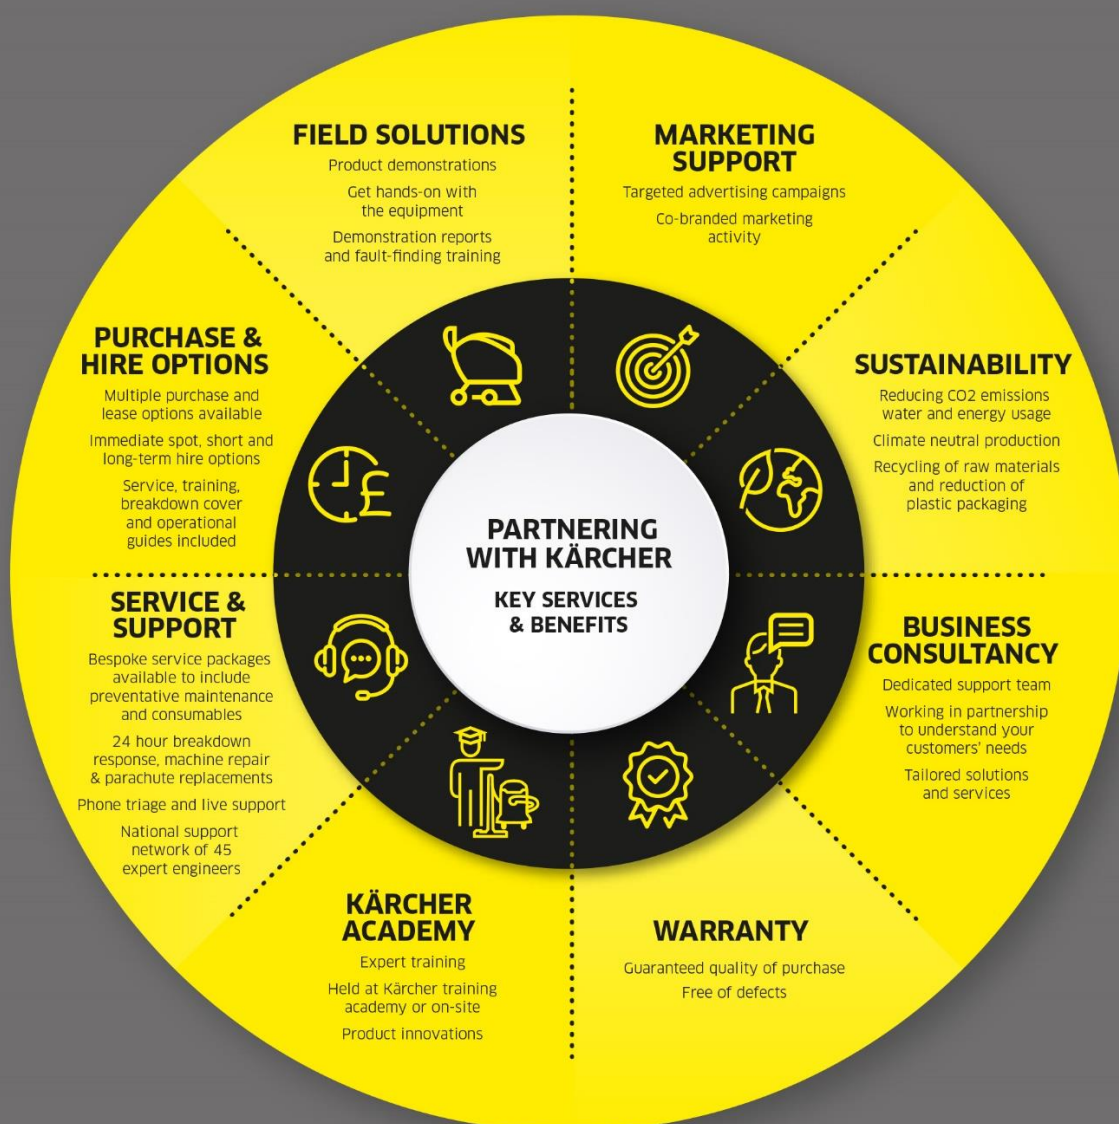

DETERGENTS

Kärcher detergents are specially formulated and perfectly matched to your machine to achieve optimum cleaning results in less time, while lowering energy consumption.

* Accordant to prEN 16615, PVC floor. Test-germ: Enterococcus hirae ATCC 10541 SG 4/4 (Floor nozzle with lamellae, 30 cm/sec., steam pressure maximum, VapoHydro minimum) SGV 6/5 (floor nozzle, 30 cm/sec., 1. steam, 2. steam vacuum, level 3)

WHY KÄRCHER.
